BUREAU OF INDIAN AFFAIRS

TRIBAL LEADERS DIRECTORY

Includes BIA Region & Agency Contacts

2015 SPRING/SUMMER EDITION

Semiannual Publication

Published by the Bureau of Indian Affairs, Office of Indian Services, Division of Tribal Government Services

The Directory is not an official listing of the federally recognized tribes; however, it should be used in conjunction with the current Federal Register Notice of Indian Entities Recognized and Eligible to Receive Services from the United States Bureau of Indian Affairs, which is the official listing of all federally recognized tribes in the U.S. pursuant to Section 104 under the Federally Recognized Indian Tribe List Act of 1994 (Pub. L. 103-454, 108 Stat. 4791-4792). The most recent Notice was published in the Federal Register, 80 Fed. Reg. No. 9 (January 14, 2015).

Initially developed as an internal reference document to aid division employees in their work, the Directory is now one of Indian Affairs' most requested publications, used by federal, state and local governments, news media, business, researchers, and the general public to connect with Indian Country. In response to the volume of requests, the Directory is now posted on the Bureau of Indian Affairs website at the following Internet address:

http://www.bia.gov/WhoWeAre/BIA/OIS/TribalGovernmentServices/TribalDirectory/index.htm

For more information, contact the Division of Tribal Government Services at (202) 513-7641.

NOTE: Tribal elections and other changes in tribal leadership occur throughout the year. The information contained in this edition was the most current information available at the time of publication and will remain until the publication of the next edition. All updates are coordinated through BIA central and regional Tribal Government Services offices.

Indian Entities Recognized and Eligible To Receive Services From the United States Bureau of Indian Affairs

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice.

SUMMARY: This notice publishes the current list of 566 tribal entities

recognized and eligible for funding and services from the Bureau of Indian Affairs by virtue of their status as Indian tribes. The list is updated from the notice published on January 29, 2014 (79 FR 4748).

FOR FURTHER INFORMATION CONTACT: Laurel Iron Cloud, Bureau of Indian Affairs, Division of Tribal Government Services, Mail Stop 4513–MIB, 1849 C Street NW., Washington, DC 20240. Telephone number: (202) 513–7641.

SUPPLEMENTARY INFORMATION: This notice is published pursuant to Section 104 of the Act of November 2, 1994 (Pub. L. 103–454; 108 Stat. 4791, 4792), and in exercise of authority delegated to the Assistant Secretary—Indian Affairs under 25 U.S.C. 2 and 9 and 209 DM 8.

Published below is a list of federally acknowledged tribes in the contiguous 48 states and Alaska.

Amendments to the list include name changes and name corrections. To aid in identifying tribal name changes and corrections, the tribe's previously listed or former name is included in parentheses after the correct current tribal name. We will continue to list the tribe's former or previously listed name for several years before dropping the former or previously listed name from the list.

The listed Indian entities are acknowledged to have the immunities and privileges available to federally recognized Indian tribes by virtue of their government-to-government relationship with the United States as well as the responsibilities, powers, limitations and obligations of such tribes. We have continued the practice of listing the Alaska Native entities separately solely for the purpose of facilitating identification of them and reference to them given the large number of complex Native names.

Dated: January 8, 2015.

Kevin K. Washburn,

Assistant Secretary—Indian Affairs.

Notice of Application for Withdrawal Extension and Opportunity for Public Meeting, California

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The United States Forest Service (USFS) has filed an application with the Bureau of Land Management (BLM) requesting that the Secretary of the Interior extend the duration of the withdrawal created by Public Land Order (PLO) No. 7179 for an additional 20-year term. PLO No. 7179 withdrew 45 acres of National Forest System land from location and entry under the United States mining laws, but not from leasing under the mineral leasing laws, to protect the seismic integrity of the University of California—Berkeley Seismic Observatory located in Siskiyou County, California. The withdrawal created by PLO No. 7179 will expire on January 24, 2016, unless extended. This notice provides an opportunity to comment on the withdrawal extension application and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by April 14, 2015.

ADDRESSES: Comments and requests for a public meeting must be sent to the California State Director, Bureau of Land Management, 2800 Cottage Way, W–1928, Sacramento, CA 95814.

FOR FURTHER INFORMATION CONTACT: Elizabeth Easley, BLM California State Office, 916–978–4673 or David Betz, Klamath National Forest Headquarters, 530–842–6131, during regular business hours: 8:00 a.m. to 4:30 p.m., Monday through Friday, except holidays. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1–800–877–8339 to contact the above individual. The FIRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The USFS has filed an application requesting that the Secretary of the Interior extend PLO No. 7179 (61 FR 2137, January 25, 1996), which withdrew 45 acres of land in the Klamath National Forest, Siskiyou County, California, from location and entry under the United States mining laws (30 U.S.C. Ch. 2), but not from leasing under the mineral leasing laws, for an additional 20-year term, subject to valid existing rights. PLO No. 7179 is incorporated herein by reference.

The purpose of the withdrawal is to protect the seismic integrity of a University of California—Berkeley Seismic Observatory.

The use of a right-of-way, interagency agreement, or cooperative agreement would not adequately constrain non-discretionary uses and would not provide adequate protection for the improvements located on the lands.

There are no suitable alternative sites with equal or greater benefit to the government.

No water rights are required to fulfill the purpose of the requested withdrawal extension.

Records relating to the application may be examined by contacting the BLM-California State Office, Public Room at the above address.

For a period until April 14, 2015, all persons who wish to submit comments, suggestions, or objections in connection with the proposed withdrawal extension may present their views in writing to the BLM California State Office at the address listed above. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. If you are submitting comments as an individual you may request confidentiality by asking us in your comment to withhold your personal identifying information from public review; however, we cannot guarantee that we will be able to do so.

Notice is also hereby given that the opportunity for a public meeting is afforded in connection with the withdrawal extension application. All interested parties who desire a public meeting on the withdrawal extension application must submit a written request to BLM California State Office at the address listed above by April 14, 2015. If it is determined that a public meeting will be held, a notice will be published to announce the time and place in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

This withdrawal extension proposal will be processed in accordance with the applicable regulations set forth in 43 CFR 2310.4.

Authority: 43 CFR 2310.3–1.

Sandra McGinnis,

Acting Associate Deputy State Director, Natural Resources.
